«Tools to make your collections widely visible»
A two-days European event dedicated to museums

Free entrance – mandatory registration   *Language: English*

Berlin, 15-16 February 2016
Co-organized by Michael Culture Association, NEMO and SPK
Under the framework of Europeana DSI project (H2020)

The objective of this workshop is to provide information and training to the museums on how to use easy creative tools to enhance their digital collections and join Europeana.
