

# NEW FRONTIERS FOR JEWISH DIGITAL HERITAGE

Concluding Event of Judaica  
Europeana 2.0

**Tuesday 26 January 2021, from 15:00 to 18:00 CET**  
**On Zoom**

New Frontiers for Jewish Digital Heritage is the concluding event of Judaica Europeana 2.0 project, organised by Jewish Heritage Network and Michael Culture. The event is intended for a broad audience of Jewish heritage professionals and will consist of three sessions on content aggregation, digital curation, and funding and sustainability and will conclude with an open discussion on the sustainability of digital approaches with participation of funders.
