SUPPORTS THE MINERVA NETWORK OF EUROPEAN PROFESSIONALS

Michael Culture Association federates professionals working on digital cultural heritage through support and development of the transmission and exchange of information, particularly via publications, conferences and events. It has members from all over Europe and beyond, including public agencies, cultural institutions and private organisations.

PARTICIPATES IN MAJOR EUROPEAN INITIATIVES

Michael Culture Association aims at enhancing the digitization and promotion of European cultural heritage. It is participating in the ongoing construction of Europeana - the European Digital Library. The association is a member of the executive committee of the EDL foundation and is also a partner in major European projects such as Europeana, Athena, DC-NET, Linked Heritage and Indicate.

Michael Culture
Association

PROMOTES AND DEVELOPS THE MICHAEL INTERNET SERVICES PORTAL

The European catalogue of online digitized cultural collections offers access to over 10 000 collections of high quality cultural content from archives, museums, libraries, etc., bringing together national initiatives from across Europe and beyond. Michael Culture Association is in charge of its technical and editorial management and development, as well as communication aiming a European and worldwide audience.

Michael Culture Association is an international not-for-profit association under Belgian law.
